*End of days will not be worldwide, but will feel like it. It will be like the mini-ice ages which only happened in specific large swaths of regions.*

**“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.”**

#### **E**nd of the World? 2012—The Movie. Part Three. (Matthew 24:1-51)

Emmanuel Blessings to all. THE MESSIAH's Favor be upon His Brothers and Sisters! Selah and Amen Holy Father! Bless your eyes to receive. Do not forget to use my secret prayer on the eBlessings' [Prayer](#) Page to receive Spiritual Enlightenment. See Part One of the second series of the End of World? Devotional series; Wednesday, 4 March 2010. [The Movie 2012](#) was about the end of the world. Here comes the truth about [2010: End of the World?](#) (Friday, 15 August 2008; look here-- [Devotional Archives](#)) After this devotional, this series will remain open as I move as The Messiah is directing me, into Revelation. I like you do not know what will be revealed. But it will definitely be spiritually edifying and surely preparing for His Coming. If you are reading this and thinking or saying, “*Someone ought to shut him up.*” I say to you, “Go shut up the porn-makers and distributors. Go shut up the homosexuals to stop their nastiness. Go tell Coca-Cola to stop spreading diabetes and obesity. Go tell the auto manufacturers to stop killing humans and the environment with their cars. Go tell “the grove” demons to stop aborting babies. And tell the Fat Cats in Washington, DC to stop their war-mongering.” Need I go on with this. The list is long from spiritual Babylon. (CONTINUING)

**Matthew 24:1-51**; Jesus gives a Prophecy that has happened, then gives another which is happening before your very eyes. **Revelation 21:4** speaks of not remembering any of this evil world in which we are living. Do not worry! Do

not fear! Prepare and become “saved,” “born-again.” When we get to Heaven we will not remember the pain; it will be no more. Not even a memory.

**Spiritual Key:** remember to place your “crown” at the Savior’s Feet.

Please note: the information, which you see here concerning these upcoming events, are on hundreds of places on the Internet and from scores of sources. You can say it is not going to happen, but these earthquakes you cannot deny; the glacial melt, you cannot deny. And this summer will be a scorcher; not in temperature (only in some places), but the UV will burn white flesh if out for two hours or more; sensitive eyes beware.

Dear police and security “brethren” (once in military, always in service to USA), this summer will be a hot one for you also. Governments please increase your police forces and everyone must remain calm in the next 18 months as catastrophes increase in severity and frequency. This is all due to our physical and spiritual disobediences up until now; and due to the natural order of planetary, global, and geologic events, which superseded our being placed here by Father God.

According to the LORD in Genesis, End of Days (loss of daylight) will not be worldwide. **“While the earth remains, seedtime and harvest, and cold and heat, and winter and summer, and day and night shall not cease.” Genesis 8:22 (Isaiah 54:9; Jeremiah 33:20,25) (KJV)** But it will feel like it. It will be like the mini-ice ages which only happened in specific large swaths of regions. The earth will not be destroyed—only regenerated; nor will all human life be destroyed. **“And the LORD smelled a sweet savour; and the LORD said in his heart, I will not again curse the ground any more for man's sake; for the imagination of man's heart is evil from his youth; neither will I again smite any more every thing living, as I have done.” Genesis 8:21 (KJV)**

Please do not visit Daniel and the Old Testament to determine when the “End” will be. Christ Jesus was the “Completion” of the Law and the Prophets and therefore, when He says, *“Only the Father knows,”* He means it. **“But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.” Matthew 24:36 (KJ)** Even Paul has told you that prophecies fail. Listen to him now and not the Disciples of Prophecy (hear: disciples of antichrist). Choose now who you will follow, the disciples of prophecy or the your Messiah. Choose ye now! Begin preparations for our Christ--like you would for any major church event; but let that effort be in the HARVEST FIELDS! **“He**

**hath made every *thing* beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.” Ecclesiastes 3:11 (KJ)**

There is a solar system moving our way. Check to see if there has been an increase of meteorites. You will find their frequency has increased around the world. Check to see if structures have collapsed around the world—the news bureaus will give you a palatable reason—one, which you will “buy” as to not get you, alarmed. Due to the gravitational effects of these planetary bodies, structures will be strained. Also, due to the gravitational effects of our sun going into its maximum phases, plus the gravitational effect of the coming solar system, gravitational impacts on our gravitational fields will be strained, to say the least.

Have you not heard about birds, insects, and animals being off their migratory gravitational lines? Or have you noticed how you hardly ever see honey bees anymore? Or how birds are crashing into airplanes more often now? Even Einstein said, when the honey bees are gone, humankind has five years left. If all that was not enough, our solar system is going through the plane of the Milky Way galaxy, which scientists predict, will have an impact of the earth's tectonic plates. So you now may understand why there are and will be more earthquakes and natural gas explosions. Do not get alarmed. Fear not, Christ Jesus is with you, with us. Prepare.

Collect those things which are now manufactured with ease, but later will be difficult to find because manufacturing will have ceased, i.e., plastic / glass bottles, paper products, metallic products, and the like. Collect dry beans, rice, dry food products; underarm deodorant and SEEDS. I believe gasoline and fuel will only ignite causing explosions, so do not have butane lighters in your pockets. Stay away from natural gas fields and deposits. Stay away from oil fields and any combustible liquids or solids. So do not live within 100 miles of any active volcanoes, especially the larger ones.

Collect rope, cloth bags, blankets, towels, survival kits, tools. Generators and such will only last a short period; as will flashlights and battery-driven devices. Deep in “bed-rock” or “granite” caves where water cannot come in is really the only best chance of surviving. The Fat Cats plan to go into their prospective governments' underground facilities, which they have been building for years. The particle collider underground facility in Europe is one of those places. To the Fat Cats: **“Your gold and silver is cankered; and the rust of them shall be a**

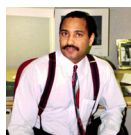

witness against you, and shall eat your flesh as it were fire. You have heaped treasure together for the last days.” James 5:3 (KJ) These structures will be crushed under the geologic forces which will bear down upon them; and be filled with the water and molten rock which will pour into them. European countries have been collecting seeds for years. Even NPR has the audio library series, where you submit your audio for archiving.

“But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.” 2 Peter 3:7 (KJV) So what is going to cause the “End of Days”? The small asteroids will be like fireballs as they enter the earth’s atmosphere. The meteorites which are large enough not to burn up completely will appear as balls of fire. These balls of fire in some places of high concentration will ignite the atmosphere in the sky. “Looking for and hastening unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat.” 2 Peter 3:12 (KJ) The larger of the meteorites or asteroids will hit the earth and things will burn. The largest of them, which will not be many, will cause larger-than-nuclear sized devastation.

Everyone start going to church; join your local church—seeking to become “born-again.” You should have a family emergency plan with food stocked in locations where others cannot easily find it; not in the house. It will only take about 3-4 days for grocery stores to run out of food. People will be roaming in the dark for “safe ground”; ground which is neither hot nor shaking. Once the catastrophes hit your areas and the smoke clears, food and other staples will be in short supply; and everyone will be looking for food. Pets will be food until they run out. Money will not have any value. Bartering will be the new form of trade. Guns and knives are a good idea for you and for survival. “Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand.” Isaiah 41:10
