*We are moving fast and furiously into the new millennium.
Saints prepare for The Messiah, make sure everyone within
your contact zone is saved. Hold evil at bay because this is their last hoorah,
and therefore they will try to get away with hell on earth in your face.*

“That in every thing ye are enriched by him, in all utterance, and *in* all knowledge; even as the testimony of Christ was confirmed in you: so that ye come behind in no gift; waiting for the coming of our Lord Jesus Christ: Who shall also confirm you unto the end, *that ye may be* blameless in the day of our Lord Jesus Christ. God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord.”

1 CORINTHIANS 1:5-9 (KJ)

The Coming Messiah. Make everything in your life straight for “The Way,” Christ Jesus, the Beloved of the Father. This is a blessing from Emmanuel, our Lord and Savior. Emmanuel’s Blessings to all; good and evil alike; your sins are forgiven you; your trespasses are forgiven you. Today is your new beginning. Go to church, give your life to Christ and begin life anew. Amen Holy Father.

I have been trying to tell you—I am telling you on the eBlessings’ web site and in eBlessings’ books what Jesus (Emmanuel (MMNL)), our Heavenly Brother, the Arch-angels, the Angels, the Prophets, the Patriarchs, the Saints of old, the Apostles, the Disciples of Jesus, and many of Father God’s Holy Family have been telling me since my Divine Deliverance from crack cocaine in the fall of 2003, which is outlined in the “iJac?” book. I know this kind of talk makes me sound crazy, but I am not. I have been holding back on sharing all this because I have a divorce case coming up and I did not want the Judge to lock me up for insanity. Folks I am not insane. So please listen. Have there been earthquakes on a regular basis? Am I lying? No.

When I first got delivered, the Holy Spirit and Jeremiah, the Prophet, Jeremial, my guardian Angel, were basically, the only ones talking to me. But as I became more obedient to what they were telling me, which was coming from

the Throne Room of the Holy Father and Christ Jesus, more and more of the Lord's Holy Family members began to speak to me.

Also, let me tell you this before I forget, Prophetess Reverend Patricia of Atlanta prophesied on me while I was living in West End one day when I was at the Krispy Kreme there. I shook her hand and she began telling me things about me that she should not have known, but she knew; so I knew the Lord was using her. She prophesied among other things that I was going to start seeing visions. Up until then, the visions I had were few and far between. But in 7 days, the visions came slowly, then fast and furiously. As long as I am obedient and living a holy life, the visions come; in color, with sound, seeing clearly the events which are pressed together.

In my obedience to Father God's Holy Family members speaking, I began to receive more directions, more Revelations, more Mysteries, more Spiritual Keys, more Spiritual Insights. I now am waiting for the Miracles, Healings, and Signs and Wonders. I have been insistent to the Father and Jesus that that is the only way to get people to believe what You are giving me. Stiff-necked people need that. My brothers, sister and mother do not believe me. My wife and children do not believe me. But I have not one doubt at any time that what I am receiving is from the Father's Throne Room, especially now. Once I was kicked out of the house at 11:30 pm on March 19, 2009; soon after that, Jesus (Emmanuel) began speaking to me more than ever before. Now He is adamant about me working on the Book of Revelation in the Bible as He reveals to me what is about to happen to the planet and its inhabitants.

Why me? You know, I thought about that the other day. You must know that I knew that the Lord would let us know through someone, maybe a Prophet or someone like that; someone like Oral Roberts, or TD Jakes or Dr. Dollar or Bishop Eddie Long or Dr. Samuels or TBN or some worldwide Televangelist. So when Mrs. Elliott told me to share with her about Revelation because she could not hear it very well from television and radio, I said, "Sure, Mrs. Elliott." At that time, I believed that we were about to enter into the season of the beginning of the season of the Last Days. You must know this—that is what I thought.

Months after my Divine Deliverance, when I realized the magnitude of what I was receiving from on high, I began to honor the LORD by writing everything I was hearing down. Also, the Holy Spirit illuminated me with my secret prayer which when I would read it would open me up spiritually to receive much more. The only way to explain it is—I see between the lines of whatever I look at, and I hear between the lines of what I hear. When someone is speaking, the Holy

Spirit, among others, speak to me telling me the spiritual aspects of what I am hearing. You see, I put that prayer in effect to perpetuity. So I no longer have to pray it, it prays itself, if you will.

So I kept receiving and then I go to take care of Mrs. Elliott's request. When I look into Revelation—Chapter One—I have tears welling up in my eyes, my heart trembles from the fear of what I am reading. I am illuminated as I read and realize that we are not about to come into the End of Days season, but we are in it. Not only are we in it, we are moving through Revelation. An approximation is Chapter 17. I will tell you better as I move into this series. It is quite disturbing to read Revelation as the players in this end time “passion play” are revealed to me more and more. I will share what I am allowed to share. I cannot share it all.

So why me? I believe everything—and I do mean everything that Christ Jesus says in the Bible, the King James Bible—literally, not metaphorically, word for word, except of course in The Revelation—that has to be revealed to you from On High, not from a carnal individual's perspective. Not only do I believe everything out of Jesus' mouth, I cherish and adore every Word. I love Christ Jesus more than I can express with words or deeds. I really do not know how to tell you how much I love Father God and Christ Jesus. Yes, I love Mother Mary, Father Abraham, Father Adam, Mother Eve and the rest of the Gang also; but that Jesus, He is it for me. That other it person for me is King David; I love some King David—he has the heart of God. Let me get back on track here. I believe everything Jesus says in the Bible and I believe and am obedient to everything He tells me. The Bible says (and I do not like that expression, because the Bible does not say anything)—it is written in the Bible that one must OBEY the VOICE of the LORD. He speaks to us; we must learn to hear His Voice.
