1. Books

3. Multiple Media Experience
4. Multi-Level Marketing

BOOKS

AC Brown is a three-time millionaire who has accumulated a wealth of Wealth Building Secrets, which he wants to share with you and the world.

The “Apartment Leasing” book is the second book in the series, but the first to be published. CreateSpace is the publisher of AC’s training materials. Amazon.com is the distributor of AC’s program of wealth-building.

“Be Great in Sales and Make a Fortune” is the second book in this professional business series.

The third book in the Wealth Building Series is entitled “A Quick Glimpse into AC Brown’s 48 Year Track Record of Accomplishment.” All books are scheduled for 2010 release dates.

SEMINARS

Incorporated in each book will be the P.A.U.S.E. Wealth Building System. This system is a compendium of key scriptures and business tips which AC Brown used during the course of his successful life.

These keys are highlighted as lists at the end of each chapter. Each chapter representing a week. There are sixteen chapters in the book which translates into sixteen weeks of wealth building applications.

When incorporated into seminars using each set of four chapters as the topics for one forty-five minute seminar, this system helps one build wealth in any field of endeavor. There will be four forty-five minute seminars.

Four chapters will be more than enough to support a forty-five minute seminar. In the future, there will be eight seminars instead of the initial four, with a potential for sixteen seminars held simultaneously. The revenue-producing results are staggering.

Remember, there are four markets to which these seminar courses apply. This means that there are four opportunities for simultaneous seminars happening in four different cities. Imagine, one seminar at \$225 per seat, with forty seats or more per seminar.

At the seminar, not only do you sell the next upcoming seminars, but you sell the books, CD's, DVD's, audiotapes, booklets, T-shirts, mugs, and other merchandise.

One of the many beauties of the seminars is that the seminars are held at resorts and luxury locations so not only can participants enjoy the locations, but you and your team can also. Soon, the initial salespersons and managers will be sitting back and supervising as the Wealth Building System increases the revenue.

MULTIPLE MEDIA EXPERIENCE

AC anticipates high volume selling of his CD's, audio books, DVD's, and audiotapes where he imparts invaluable expertise to help stimulate one's sales potential and invigorate slow sales to everyone's expected high sales volumes.

MULTI-LEVEL MARKETING

The true beauty of AQG (A Quick Glimpse) *Wealth Building System* is how anyone can sell the books, the business acumen, spiritual realities, and the systems, which are incorporated in each book. There are five books in this series. Not only are salespersons a key component of this aspect of this level of benefit, but they will be prepared to lead and manage seminars.

These professionals will take the seminar on the road independently; set it up, manage it, and give the presentation. This team of professionals will be the long-reaching arm of this Multi-Level Marketing aspect of AC Brown's program of success.

Salespersons get sales percentages of the five different books, and the *Pathway to Success*; whereas MLM sales persons receive a percentage of the revenue from new managers who they bring on board and from salespersons who they supervise. Everyone is given the opportunity to profit from the benefits AC Brown's AQG Wealth Building System brings to the market. An opportunity, which brings revenue-producing benefits to the world.
