Black Blob Prayer

Victory over evil. Lord God in the name of Jesus Christ, bind all evil within one thousand meters of my voice right now! Lord Christ Jesus, Holy Angels, or any member of

God's Holy Family, right now, turn the evil into inert black blobs which have no power over themselves, no power over anything good or evil, no power over anything living or dead.

Lord God in the name of Jesus Christ, Jehoshua, right now have your mighty Holy Angels and Your Powers and the Powers of Christ Jesus bind the evil within one thousand meters of my voice and move them to the nearest trash dumpster which is not on church property and bury them fifteen meters in the earth beneath the trash dumpster.

Father God in the name of Jesus Christ keep this evil bound in this state for ten thousand goggles of human years of one hundred years, times ten thousand goggles of human years of one hundred years in the earth right now. Father God, I ask you to do this right now in the name of Your Son, Jesus Christ.

I thank You Father God, and praise You for this Father God. And I command it to be so right now in the name of Christ Jesus! Thank you Father! Amen!

Holy Spirit correct the prayers which are prayed incorrectly and pray the prayers which should be prayed in accordance with the Will of our Lord and Savior Christ Jesus!

Specificity in prayer. It is important that specificity is used when praying this prayer. Pray a specific amount of time for evil to be bound (not forever). Pray for specific heavenly forces to do the task (Angels, Arch Angels, Powers of God, Christ Jesus or the Holy Spirit, etc).

Be mindful of where you place the evil. (It will be wherever you place it. The distance you pray should not be too far away. Not to

pray two thousand miles, because they have to be taken there and some of the angelic beings doing this task for you may be the same ones who are there to protect you.

This prayer requires power and faith. This prayer will defeat evil in your life when you recognize its presence and pray this prayer. This prayer is effective without fasting. It always works, every time!

Try this: take your telephone book and pray this prayer for those people listed there. Additionally, this prayer was developed through the intervention of the Holy Spirit and my life experiences.

Prayer origin. This prayer originated when I was being attacked by spiritual forces under the guise of what the medical establishment would describe as panic attacks, stress attacks, or anxiety attacks (which I had believed in the past). After my deliverance, the Holy Spirit and the Holy Angels let me understand when you are in bed "frozen" and cannot move, or when you get "the fear" that you are under a spiritual attack.

You can only move your tongue or move your mind to say "I rebuke you satan in the name of Jesus," until you get free. A demonic force is trying to inject itself into you, is sitting or laying on your chest/body and has you bound so you cannot move. But you have enough Word (Bible) in you, Christ Jesus in you to stop the process mid-stream. This prayer will bind the evil and it will not return until the end of the specified time spoken in the prayer.

I would pray for the Lord to destroy the demonic forces, but the Holy Angels gave me the realization that that was not going to happen. It is not that matter cannot be created or destroyed, but it is God's place to do so, not man. Man can only change the chemical structure of God's creations, not destroy it. With that in

mind, I stopped praying for the destruction of demonic forces, but that they get turned into inert black matter. As they become bound, we must command their power to be lost so they cannot have influence on other things around them as they struggle in their new bondage, i.e., the "have no power" part of the prayer.

So when someone comes up to you and say: "Binding and loosing in Hebrew really means, what you do or do not do on earth will be so in Heaven." Say to them: "Thank you very much." And remember this, one third of heavenly beings fell to earth with the devil, therefore there are thousands and thousands of demonic creatures which can be bound and should be bound.

The next time you have a "panic attack" or become "frozen" in bed or get "the fear," speak this prayer silently, then out loud and get free; and stay free. Freedom is yours from now on with this prayer. Use this prayer repeatedly to keep demonic forces out of your life and body! Have faith and put on the whole armor of God!
