We are fast approaching the end of our worlds as we know them.

“Upon the wicked he shall rain snares, fire and brimstone, and a horrible tempest: this shall be the portion of their cup.”

PSALM 11:6 (KJ)

“He gave them hail for rain, and flaming fire in their land.”

PSALM 105:32 (KJ)

“And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone.”

EZEKIEL 38:22 (KJ)

I started this research into this area solely to be able to help my nephew who had been telling me about the “snake people” who exist and who are coming back. Wow! Okay. With a history of schizophrenia in our family, I took notice and moved towards getting information to help get him on the straight and narrow. I started investigating and asking him questions.

Found out that people, lots of young people and spiritualists, new agers are talking about Planet X. The talk is that Planet X is the planet with snake people on it and they come to earth every so many thousands of years because the planet’s orbit intersects our solar system. I am not saying that this is true or not true—I just do not believe the snake people exist. You will find plenty of evidence and people who will testify on the highest mountain that it is true.

Come to find out the planet x that is the talk is really a brown dwarf sun. Now if you haven’t looked at the links, please do when finished reading. They are the documentation from reputable sources. Planet X, is not Nibiru, the snake people planet, but a solar body with planets in orbit around it. Do the research. Next time more details of what to expect in your neighborhood.

ARE YOU READY FOR JESUS?
